**We can schedule a course in your area if you have a group of 8-12 fishermen.**

The registration fee for this course is \$168.00 (\$160.00 plus 5% GST) and is non-refundable. The registration fee can be paid by cash or cheque. You can send your completed form in by **fax (604) 275-7140** or mail it to:

**Fish Safe, #2, 11771 Horseshoe Way, Richmond, BC V7A 4V4**

If you have any questions, please contact us at 604-261-9700. Thank you.

**Transport Canada and WorkSafeBC require that commercial fishermen understand the stability characteristics of their vessel and develop procedures to minimize or remove potential threats to stability. The Fish Safe course has been designed and implemented to help fishermen meet these requirements.**

If you need a refresher on how to remove threats to stability from your operation or to improve and build on your working knowledge and develop stability procedures then this course is for you. The concepts and practical application developed by fishermen in the Fish Safe Stability Education Program apply to all fishermen, vessel size, and gear type.

**Special PFD Offer:** Fishermen that take the lead and organize a group of 8 or more for a Fish Safe Stability course will receive a Mustang Hydrostatic Inflatable PFD.
